TOWN OF MOULTONBORO

The State of New Hampshire

To the inhabitants of the Town of Moultonboro, in the County of Carroll, qualified to vote in town affairs:

You are hereby notified to meet at the Town House, in said town, on Tuesday the 14th day of March, 1922, at ten o'clock in the forenoon, to act upon the following subjects:

1 To choose by ballot a Moderator, to serve the remainder of the unexpired term of Edward W. Jobbins.

2 To choose by ballot and major vote: A Clerk; for one or more, not exceeding three, Highway Agents; two Auditors, a Town Treasurer, a Collector of Taxes, one or more Constables, three Fence Viewers, one or more Surveyors of Wood Bark and Lumber, one Selectman for three years, two Library Trustees for three years, one Trustee of Trust Funds for three years, and such other Officers and Agents as the town may judge necessary.

3 To raise and appropriate such sums of money, as may be necessary to repair Highways and Bridges in said Town; for the support of the Poor in said Town; For the support of the Public Library in said Town; for the suppression of the White Pine Blister, and other charges in said Town.

4 To see if the Town will vote to raise and appropriate a sum of money necessary to build a State Aid Road, and a further sum necessary to secure State Aid, agreeable to Chapter 35

TOWN OF MOULTONBORO

Session Laws of 1905. Said Fund to be treated in the same manner as a Joint State and Town Fund in State Aid Construction.

5 To see what sum of money the Town will vote to raise and appropriate for State Aid Maintenance, and for Trunk Line Maintenance and Reconstruction, under the State Aid Act, or Motor Vehicle Act.

6 To see if the Town will vote to raise and appropriate a sum of money not exceeding Two Hundred Dollars for Electric Lights, near Center Harbor Village and at Moultonboro Corner; both in Moultonboro.

7 To see if the Town will vote to raise and appropriate a sum of money necessary to secure State and Federal Aid for the suppression of the White Pine Blister, such sum to be treated in the same manner as a Joint Federal, State and Town Fund.

8 To see if the Town will vote to raise and appropriate the sum of Eight Hundred and Fifty Dollars, to pay the Trustees of the Trust Funds, the amount of Cemetery Funds now in the hands of the Town.

9 To see if the Town will vote to rescind the vote of the Town whereby the Town voted to raise and appropriate the sum of Five Thousand Dollars, each of the years 1922 and 1923, for the building of the Lake Shore Road, so called.

10 To see if the Town will vote to authorize the Selectmen to hire money in anticipation of Taxes.

11 To see what action if any the Town will take, in the matter of allowing a discount on taxes paid before a certain date or dates, also what action if any the Town will take in the matter of charging a per cent of increase to be added to Taxes remaining unpaid after a certain date.

TOWN OF MOULTONBORO

12 To hear the report of Officers, or Agents heretofore
chosen and pass any vote relating thereto,

Given under our hands and seal this 9th. day of February
1922

TOWN OF MOULTONBORO

Auditor's Report

We, the undersigned, Auditors for the Town of Moultonboro, certify that we have this day examined the foregoing accounts of the Officers of Moultonboro for the year ending January 31, 1922, and find them properly vouched and correctly cast, and find the sum of \$712 22 in the hands of the Treasurer.

FRED P. RICHARDSON,
ISAAC A. MOULTON,
Auditors

TOWN OF MOULTONBORO

Report of the Superintendent of Schools

To the Members of the School Board and Citizens of
Moultonboro :

Herewith I submit my third annual report for your careful consideration. It is my purpose in this report to fully inform the citizens and school board of the conditions of our schools. Facts and not theories are desired in this age.

Health

It is a non-debatable question, whether health is more important in life than education. Also it is rarely questioned whether the individual who has both is not better fitted to meet life's problems than the one who has only one of these essentials. Every year a larger per cent. of the parents are following up the recommendations of the medical inspector. In several cases during the past year, teeth have been filled and enlarged tonsils removed. If we could fully realize the importance of having these defects treated during childhood, we would more quickly reach that ideal, "a sound body and a sound mind make the highest type of citizen."

On examining the report of the medical inspector, one

TOWN OF MOULTONBORO

can readily see that the pupils of Moultonboro need medical treatment:

	1921	1920
No. pupils with defective vision	10	10
No. pupils with defective hearing	3	4
No. pupils with defective teeth	60	70
No. pupils with enlarged tonsils	8	10
No. pupils with adenoids	0	2
No. pupils with malnutrition	3	1

Teachers

The two most important factors in our schools are the pupil and the teacher. I wish to call your attention to the latter.

In order to have successful and efficient teachers:

(1) We must offer salaries higher than a village system, for a rural school position is by far the more difficult job.

(2) Suitable homes—yes, homes, not places where teachers may put their trunks and eat twice day, but a real genuine home where she becomes a part of the family circle, in its social and religious activities.

(3) A well equipped building is just as essential in our rural towns as in larger centers and cities. A school building should be properly lighted, sufficiently heated, equipped with adjustable chairs and desks, slate blackboards, and a required amount of text books and supplies.

The Moultonboro schools are able to meet some of these requirements, in others we fall short of the goal.

TOWN OF MOULTONBORO

However, I presume that if we were able to meet these requirements in full we would lose each year from 25 p. c. to 50 p. c. of our teaching force, but we would be making marked progress even if this was the case, for last year we were able to hold only one of our teachers for the second year.

On the other hand we must insist that the teacher becomes more efficient. Teachers should prepare for State certificates and Normal diplomas. The qualifications of the Moultonboro teachers are: One teacher has had several years' teaching experience and holds a State certificate; she also attended last summer a summer school for six weeks; one is a Normal graduate, teaching for the first year; one with four years' teaching experience, and an assistant teacher who is a graduate of Meredith High School, without any training.

Our teaching force is: Village, Mae Saunders; assistant, Helen Kelly; Ambrose, Sadie Foss; Green's Corner, Lora Merrill; Center Harbor Village, Charlene Pettengill.

Transportation

The present school year we have five transportation routes. Five pupils on Moultonboro Neck were transported until about December 1st to the Green's Corner school by Elmer Goodwin. Since then, two of the pupils have been boarding near this school, two are transported, and one of them moved out of town.

The pupils from the Richardson district have been conveyed by Roy Foss to the Ambrose school. Again, this year, Mrs. Elvira Wakefield has transported the pupils in that part of the town to the Ambrose school.

TOWN OF MOULTONBORO

Arthur Abbott has carried his two children and Aldorado Batchelder to the Village School. Elmer Horne of Center Harbor has conveyed Beatrice Ruiter to the Center Harbor Village school.

Although our transportation bill is large, this is the most economic way that we can educate these pupils. If they were all in one section of the town a school would be opened. However, Commissioner Butterfield has recently stated that "unless there are twelve to fifteen pupils within walking distance of a schoolhouse it usually is unwise to try to have a school." The cost of running it will become so great that schools in other parts of the town will not get their share of the school revenue. And also there is the competitive side among pupils which must be considered.

The Legislature of 1921

At the last Legislature, amendments were made to the school law of 1919 which apparently are going to help the State in many ways. Some of the more important changes are:

- 1 State aid will go to the poorer towns and not to cities and districts which are rich enough to care for themselves.

- 2 Only \$325,000 is available. There can be no deficiencies as in 1921.

- 3 No school district is obliged to pay more than a reasonable amount for educating a pupil or pupils; provided, however, that the parent or guardian may ap-

TOWN OF MOULTONBORO

peal to the Commissioner of Education and the order of the Commissioner shall be final.

4. The local school board may lay out its own program of studies. The State board provides a course, but it is for the local board to decide whether it will accept a part or none of it.

5. The superintendents in the State are paid \$2,000 by the State (no allowance being made for travelling expenses), with any additional amount the district wishes to pay.

Repairs:

During the summer vacation, Arthur Pollard and O. M. Evans were engaged to make the necessary repairs on the Ambrose schoolbuilding. The foundation was put into first class condition by Mr. Evans, a hardwood floor laid and blackboards installed by Mr. Pollard.

The woodshed at the Green's Corner schoolbuilding was shingled and a few minor repairs made in the Village schoolbuilding. As recommended last year, our buildings need to be painted and a few book closets made for at least two of the buildings.

Graduation

In June we had our first graduation exercises. All the schools of the town had a part in making the exercises a success. The four pupils who received diplomas were Eunice Frye, Chester Leach, Edward Perkins and James Solomon. Three of these pupils are attending secondary schools.

Recommendations

I submit the following recommendations for your consideration:

TOWN OF MOULTONBORO

1. That the Village School be divided and two regular teachers be engaged.
2. That one schoolbuilding be painted the coming year
3. That pupils be not admitted to our schools Sept. 1, 1922, who are not six years of age.
4. That a jacketed stove be secured for one of the buildings.

In conclusion: tests, investigations, and observations have led your school board and superintendent to believe that much progress has been made since our last annual report. Our pupils are approaching a higher standard of scholarship, our buildings are better equipped, parents are more interested to send their children regularly to school and I personally know that your school board is endeavoring to make the best possible use of the money raised for school purposes. May the Moultonboro schools in the near future be as efficient as the most progressive schools of the state.

Respectfully submitted,

W. H. BUKER.

Pupils not Tardy or Absent Year Ending July 1, 1921

First Term: Ernest Day, Eunice Frye, Ernestine Berry, Dorothy Dearborn, Bernard Day, Arthur Moulton.

Second Term: Ernest Day, Louise Frye George McAllister, Eunice Frye, Chester Leach, Harold Shaw, Bernard Day.

Third Term: Ernest Day, Eunice Frye, Harold Shaw Harry Abbott, Lewis Moulton, Ruth McDonald, Bernard Day, Bernard Mason, Dorothea Mason.
